TOP PRODUCER OF THE QUARTER

For this quarter we will be recognizing the top channel 10 producer. Lisa Clarke will be accepting submissions now through 6/15/15. Three staff members will judge the submissions during the month of June. The winner will be recognized in the July newsletter, at the Annual Meeting in September and will be given a certificate! Your name will also be added to a plaque that hangs at FPA. Shows will be judged based on technique of lighting, camera work, editing, or all of the above.

The criteria is as follows:

1. The show must be produced here.
2. The show must have been taped this year.
3. You must have a regular time slot.
4. The show must air on Channel 10.

The rules are as follows:

1. Only 1 episode per show may be submitted.
2. Staff production producers may submit a show, but the element you want judged cannot be something that you had done by the staff.

Please place a copy of your show, in DVD format, along with this submission form in the box located outside of Lisa Clarke's office. Copies of the form can be found at the equipment room.

Technique you want Judged may include:

- a) lighting
