2016 QUARTER ONE PRODUCER CONTEST Best New Show of 2015

FPA AROUND THE COMMUNITY

In February the **Northern Virginia Magazine** had a great story about local community TV which included information about FPA and Arlington Independent Media. The article includes an interview from our Executive Director, Chuck Peña and it also spotlights three FPA producers – Ingrid Parris-Hicklin, John Buckreis and Ruth Bennett. A link to this great story can be found at:

The **Connection Newspaper** and **Falls Church News Press** both picked up FPA's news release on our Black History Month Special programs that celebrate Black History through film. Copies of the articles written regarding FPA are available at:
