## EDIT 1 LAB USER NOTICE

**Due to ongoing plans to improve and update our computer edit lab 1 we want to inform everyone that as of July 1, 2015 we will no longer offer support for Final Cut Pro 7. Once we complete the next set of updates Final Cut Pro 7 will no longer be compatible with the computer workstations in the lab. However, we will continue support of both Adobe Premiere and Avid Media Composer and begin offering the latest versions of these programs.**

**\*All students using Final Cut Pro 7 to edit programs are encouraged to complete their projects by the end of June 2015. For arrangements to transition over or learn the use of Premiere or Avid please contact us at the Training Dept.**

## Weather Closure Information Reminder

## FPA: Producer Contest Best New Shows of 2014

For this quarter, FPA would like to hold a contest to allow the membership to vote for the best new show in each channel for 2014. Nominations have been selected and now we need you help to select the winners. Voting can be done thru our website and the poll will be open till midnight on 3/30. The winners will be announced the following day.

Winners will receive a certificate and their names engraved on a plaque in FPA as recognition of their great work.

The following criteria were used to choose these 16 shows: the show had to be produced in 2014, it had to air in 2014, and had to be produced using FPA equipment.

The following shows have been nominated for the best new show of 2014. Please vote for the show you'd like to see win for each channel.

Dear FPA Members,

Fairfax Public Access would like to extend our sincere appreciation to everyone that helped make our coat and blanket drive successful. Thanks to your generous donations, we were able to provide a significant amount of coats, blankets, and more to those in need in our community.

We look forward to continuing to serve our fellow community members in the upcoming year, and we thank you for your continued support.

Sincerely,  
FPA-Programming Dept.

Thank You
